DESCRIERE

Near Herastrau park, a luxury penthouse apartment is situated at the top floor of a 2005 building and has a panoramic view over the area and the Herastrau Park.

It has a total of 340 sqm built (170sqm usable, 150sqm terrace) and has 4rooms with 3 bathrooms and surrounding terrace with access from all rooms.

The finishes are good quality (wooden parquet, natural stone, under floor heating).

The building has 24/7 security. It is suitable for a large family residence.
